

ReFrame: Evangelism Training

... but not as you know it

Tabor College, 181 Goodwood Road, Millswood

Saturday 15 February 8.30am - 12:30pm

What if hearing the word “evangelism” brought a warm, good, positive feeling to you... instead of, perhaps, guilt, inadequacy or fear? We believe this is possible, and what God wants us to know and experience.

It's not that evangelism will automatically become easy, but we can frame evangelism in ways that are freeing, empowering... even joyful and fun.

Come and hear from Craig Broman (*Chief Engagement Lead*) & Simon Hill (*Training Lead*) of Engage Work Faith, and share in a Saturday morning of encouragement in ways to ReFrame Evangelism, with fellow travellers who don't always get it right.
