

ENGAGE Work Faith

2orMore Health Check

Annual reflection

This questionnaire helps to reflect on the health of your 2orMore. If you have any questions or would like support, please feel free to contact ENGAGE Work Faith.

- 1.** Are members of the group engaged/attend regularly? If not, what is happening? *(it is important to recognize that being a worktime group, people will miss because of meetings and work commitments they cannot change. The purpose of this question is more around engagement – not an attendance record)*
 - a. Have work commitments changed? Do I need to ask the group if we can adjust our meeting time?
 - b. Are people being reminded early enough?
 - c. Are my expectations realistic?
- 2.** Does our group remain focused on Evangelism/praying for specific people? *(While a healthy group will always share the hope to communicate Jesus with others, we want to make sure this does not fall off the agenda as part of a 2orMore DNA)*
- 3.** Where have we seen God answer prayers? Has it been shared with the group so we can praise God? *(Looking at the past prayer record can help with that)*
- 4.** Are people growing in confidence to be open and share their faith at work? *(the E resources may help with confidence and provide skills)*
- 5.** Do we share prayer points and importantly pray for each other between meetings?
- 6.** Do we have enough time to pray?
- 7.** Do we finish on time so members can get back to work on time?
- 8.** Have the Engage events been helpful for our group to invite colleagues/friends? *(please contact ENGAGE with events you think your colleagues would like to attend)*
- 9.** Do we need to build relationships within the group, eg have a meal together, etc?
